Tired

by Shel Silverstein

I've been working so hard you just wouldn't believe,  
And I'm tired!  
There's so little time and so much to achieve,…  
And I'm tired!  
I've been lying here holding the grass in its place,  
Pressing a leaf with the side of my face,  
Tasting the apples to see if they're sweet,  
Counting the toes on a centipede's feet.  
I've been memorizing the shape of that cloud,  
Warning the robins to not chirp so loud,  
Shooing the butterflies off the tomatoes,  
Keeping an eye out for floods and tornadoes.  
I've been supervising the work of the ants  
And thinking of pruning the cantaloupe plants,  
Calling the fish to swim into my nets,  
And I've taken twelve thousand and forty-one breaths,  
And I'm TIRED!

The weather this winter has been nothing less than schizophrenic. We have had some beautiful days and as a result our once abundant snow is receding. It is easy to slip into tired, negative “over it” mode (I have even felt myself going there.) Right now more than ever it is important to remember that we still have guests here and this might be their first time in Jackson Hole. We want them to walk away having the same positive, authentic experience as the guests that came early this winter. As I walked around this weekend I saw a lot of us having fun and enjoying this amazing place, let’s keep it going… Let’s all focus on what is great and fun and beautiful.

“How lucky I am to have something that makes saying goodbye so hard.”
A.A. Milne, Winnie-the-Pooh

Let’s say farewell to winter with style

Behind the Uniform

This week’s Behind the Uniform is Kim Essensa and Kim Prebish (The Kim’s)
From Customer Care & Reservations
**Behind the Uniform**

**Kim Essensa: Customer Care & Reservations Manager**

**Where are you from?**
Standish, Maine.

**How long have you worked for JHMR?**
8 years, both Summer and Winter.

**Favorite thing about your job?**
The crazies I'm luckily enough to work with! They are the best.

**Favorite run at JHMR?**
Bivvy Woods! And EDI. Everyone loves EDI.

**Most memorable moment at JHMR?**
My first Winter here, 2007, in Steep and Deep Camp, learning how to huck my meat with Forrest Jump!

**What would you be doing if you weren't working at JHMR?**
A Lobsterwoman.

**If there was a movie made about life in CC&R what would it be titled, and who would play you?**
Finding Nemo. “Just keep swimming, just keep swimming”-and Dory of course.

**What is in your pocket?**
My work keys! Which if you know me, you know that’s an accomplishment. And We Care Cards.

**Kim Prebish: Guest Service Center Coordinator**

**Where are you from?**
Originally from Duxbury, MA south of Boston, but moved here from Miami, Florida.

**How long have you worked for JHMR?**
This is my 8th Season.

**Favorite thing about your job?**
Working with and helping the people! Everyone from our guests to every employee.

**Favorite run at JHMR?**
Oh, boy. That’s tough, but I think I’d have to say ET-PB-TB.

**Most memorable moment at JHMR?**
Again, tough to answer as there are many; but have to say the year I coached my first Women’s Camp. I was (I think?) the first woman to attend the camps back in 2003 and then come full circle to be a coach!

**What would you be doing if you weren’t working at JHMR?**
Working in a boring corporate job making a lot more money that at the end of the day didn't mean that much anyway.

**If there was a movie made about life in CC&R what would it be titled, and who would play you?**
A comedy about which way to the Tram. Once found, the Tram would be filled with lost and found items or a single glove, if you lost yours on the way. It would be titled “This Way to the Tram”. Jane Curtin would play me.

**What is in your pocket?**
Right now, nothing....

JHMR Employee Olympics 2015

The 49th Annual Jackson Hole Mountain Resort Employee Olympics were held over the past few weeks throughout the Village. The lighting of the Olympic Torch and the playing of the National Anthem kicked off the Games, followed by a passionate series of competitions including Tug of War, the Obstacle Course, Trivia Night, and the crowd favorite Cardboard Box race to name a few. Team Kids Ranch took home the Gold, followed in close second by the Mountain Access Team, and in third place the Mountain Sports School Sales Team. Congratulations to all the teams that participated, and we look forward to the spirited Games next year!
